I agree to conform to all building, plumbing, electrical regulations and city ordinances regulating same. Fees subject to change once inspector has checked work to be done. Applicant must call 903-564-3311 or 903-815-0263 for all inspections and allow 24-hour notice for inspections to be done. State law requires asbestos inspection on commercial property demolitions & remodels.

Not all request will be accepted please allow 3 business days to review. Contact Connor Bengé with any questions 903-564-3311 ext. 106
